(Blacksburg, VA) – VT KnowledgeWorks, high-tech business incubator in the Virginia Tech Corporate Research Center, now offers blog service, *Inside VT KnowledgeWorks*, to its member companies. Top executives from Agent Computer, Click and Pledge, DynaSoft, LLC, NanoSafe, Inc., Portaqua, Schultz-Creehan, The Whole Child Learning Company and Virginia nanoTech, LLC, met last week to discuss the benefits of a blog with professional writer and author of *Inside VT KnowledgeWorks*, Anne Clelland.

Clelland shared how a consistent and well-written blog fosters relationships with business contacts and decreases perceived risks during the adoption life cycle of technology. No longer considered a fad, blogs are gaining credibility and even referenced by news sources. For the high-tech entrepreneur, the importance of viral marketing, establishing personal relationships and developing a trustworthy network is critical.
